Specially Designed for
GAMERS

Havana is every gamer's perfect companion boasting powerful, high-density 50mm speaker drivers to let you hear every detail while immersing in the intense gaming situations. The headset features a best-in-class microphone, which delivers studio-like voice clarity to let you communicate with your teammates. Keeping every gamer's dilemma in mind, Havana boasts an in-line controller for adjusting volume paired with one-touch microphone mute button. The adjustable, padded headband and earcups make every gaming session stress-free. The unrivalled sound quality is paired with stylish 7 Rainbow colours, which you can control to match your gaming setup. Take your gaming experience to another level with Havana.
