50mm Audio Driver

Zero Fatigue Ear-Cushions

Noise-isolating Microphone

In-Line Audio Control

HEADSET

Specially Designed for **GAMERS**

Jump in the battlefield with this Virtual 7.1 Surround Sound gaming headset. Finely tuned 40mm speaker drivers provide unmatched sound clarity so that you hear every sneak to attack. The exceptional sound is fused with RGB light on the outside for an ultimate gaming feel. The high-res, retractable microphone backs all of your team conversations. You can control microphone smartly with on-touch on/off button. Other than this, Manila also features an in-line volume controller. The gaming headset provides ultimate comfort with soft PU leather cushions, adjustable headband, and soft earmuffs.

Colours Available  Black  Blue
