

SPHERE

HIGH SENSITIVITY PROFESSIONAL DIGITAL RECORDING MICROPHONE

MICROPHONE

Specially Designed for **GAMERS**

Whether you are gaming, streaming or recording, let your voice become dominant with Sphere. This high-grade gaming microphone with cardioid polar pattern picks voice from the front and eliminating the disturbance from other directions to let you sound the best. The gaming microphone lets you control volume and even mute with just a touch. It is made of high-quality ABS material with a unique spherical design. You can easily adjust the microphone to suit the best angle as it has a swivel 360-degree head and a foldable tripod stand with anti-slip feet offering ultimate convenience.
