TRI-MODE CONNECTIVITY

HD QUALITY SOUND
IMMERSIVE AUDIO

Vertux's BB-8 High-Fidelity Over-Ear Gaming Headset redefines your audio experience with triple mode connectivity options for unmatched versatility. Equipped with a retractable omni-directional microphone, this headset ensures crystal-clear communication for in-game communication as well as hands-free calls. Enjoy an impressive 80 hours of playback in Bluetooth mode or up to 40 hours in 2.4GHz wireless mode, thanks to the large 1000mAh battery capacity. 2.4GHz mode also provides an impressive 15-20ms ultra-low latency for a lag-free wireless game audio experience. For those who prefer a wired connection, BB-8 also supports AUX cable connectivity, offering flexibility for all your gaming needs. Crafted from durable materials, this headset combines longevity with premium sound quality, making it the perfect companion for immersive gaming sessions.
