NOISE-ISOLATING MICROPHONE

Sound plays a critical role when playing immersive games. Create a lifelike 7.1 surround sound experience that lets you truly experience your game sessions. The ultra-clear microphone with ENC technology delivers studio-like voice clarity for high-quality conversations. Hear every crisp high and thundering low as Warfare boasts vibration feedback technology that can be controlled by a button. Featuring a lightweight, ergonomic design, and soft earpads, Warfare is engineered for hours of play
